ART UNIT PAPER NUMBER

1615

DATE MAILED: 07/15/2004

Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Amendment

1. The reply filed on 06/11/2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicants have canceled all the claims drawn to the originally presented invention and presenting only claims drawn to a new invention, and this considered non-responsive (MPEP § 821.03). The newly presented claims are not readable on the originally presented invention because the canceled claims are directed to transdermal or transmucosal composition consisting essentially of acid addition salts of morphine alkaloid with organic acid and olive oil; while the newly presented claims are drawn to compound consisting essentially of acid addition salts of morphine alkaloid with organic acid. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Isis Ghali whose telephone number is (571) 272-0595. The examiner can normally be reached on Monday-Thursday, 7:00 to 5:30.
